

Lego Man Rescue Mission

Your Lego Men have been captured and are held captive somewhere

You must solve clues and perform tasks, so get going if you dare!

Clue # 1

They were first seen where you might sit for a relax
So hurry and try to follow their tracks!

Clue #2

I have been told that they took a little rest
In a spot where a birdie may make her nest

Clue #3

Their captor got hungry and took them where veggies do grow
Make haste and find them you must not move slow

Clue #4

The Lego men were spotted going down something fast
Slide down it and see if you have found them at last

Clue #5

On their journey they got messy and covered in dirt
Find the spot where they were cleaned right up with a squirt

Clue #6

You're getting close to saving them I really can sense it
Go next to the spot where this car has an exit

Start by giving the kids Envelope #1.
